

Salem POP Warner Registration Dates

POP Warner registration is quickly approaching and there will be two ways to register.

Online registration	In Person Registration
Starts on April 1 st At the Salem Website www.salempopwarner.com	April 24 th from 10:00 am to 2:00pm Location TBD

For those interested in POP Warner please be advised that it is a first come first service basis for registration. So if you want to ensure that your child has a roster spot you need to register as early as possible. There will be a point at which the online registration will not be available or will not accept players at certain weight classes. This is to ensure that those players who show up for in person registration will have some spots available. So if you try to register online and you are unsuccessful then come to the in person registration to get your player registered.

My goal is to make sure every player in Salem that wants to play POP Warner this fall will be able to.

Sincerely,
Scott Showers
Athletic Director
Salem POP Warner
